- Catering available for private parties, weddings, conferences and social clubs.

Spear Creek is more than just another Caravan Park!

Set immediately adjacent to the Western slopes of the Flinders Ranges in the middle of a 7000ha working sheep station provides privacy and security.

Spear Creek is accessed from HWY 56 (Sth) or HWY 47 (Nth) and the Old Wilmington Road (bitumen).

Our tourism amenities are built amongst 400yr old river red gums in an area abounding with native flora and fauna, providing great private property bush walking, bird watching and mountain biking. There is also private Bush Camp areas which have their own flush toilets, water and fire pits.
